Re: Deck Staining

Dear Forest Oaks Community,

We are excited to announce that your Board of Directors has approved the power washing and staining of your decks throughout your community! The project is tentatively scheduled to begin in late June and will last approximately two weeks, all weather permitting. Notices with more information will be posted as we near the commencement and the finalized plan. During the project, once your deck is stained, it will need 24-72 hours to cure before any access is permitted. Again, more information will be available for your individual deck and timeline as we near the start!

Please direct any questions to service@ncmgi.com.

Sincerely,

New Concepts Maintenance and Construction
